Cleveland Lad Gets Decision 'n a Brisk Six-Round Go Before Illinois Athletic Club.

Tommy Barely Able to Stand in the Closing Moments and Avoids Knockout by a Narrow Margin.

shieago, Jan. 31.-Kid Broad of Cleveland mined a decision over Tommy Sullivan of Brooklyn at the end of a six-round contest

to-night at the Blinois Athletic Club.

Constant clinching during the last two inds was all that saved Sallivan from being knocked out. When the fight ended he was on the verge of collapse and hanging to Broad, who was unable to shake him off and land a knockout. The men met at carchweights, and Broad

had at least six poends the better of it. This extra weight began to tell after the first three rounds, and Broad landed with either hand about when and where he

In the next round Broad began to force the fighting and anded several neavy apperents to Sullivan's stomach. In a chach Broad hit Sullivan's stomach in a chach Broad hit Sullivan's stomach in a chach Broad hit Sullivan rather low, and the latter claimed a foul. The referee ignored Sullivan's protest, and ordered them to continue fighting. This angered Sullivan and he rushed at Broad. In the exchange that followed Sullivan had decidedly, the best of it, and when the round ended Broad went to his corner looking thred. The fourth round was slow, both men falling into clinches at every opportunity, and hammering each other on the kidneys.

The fifth round was the heat of the fight. Both started in with vim, and each landed several teling blows. After about a minute's fighting, while they were standing close together, exchanging blows. Broad landed a hard right on Sullivan's ear. Broad landed a hard right on Sullivan's ear. Broad landed a hard right on Sullivan's ear. Broad landed the full force of his body behind the blow, and Sullivan fell to the floor. He was barely able to get up at the count. but managed to fall into a clinch. Broad shook him off with considerable difficulty and for the second time swurg his right to Sullivan's ear. The latter went down again and got up with difficulty just as the referee raised his hand for the count of ten. Broad whelked handed a wild swing on Broad's jaw. The blow did little damage, however, as Suilivan was very wask.

Broad wheeled around and commenced hamself from what seemed an inewitable knockout. When the round eaded Sullivan was barely able to stagger to his corner. He revived somewhat during the minute's rest and did some good work during the early part of the anst round. Broad paid little beed to Sullivan's bows, however, and he seem had been matched to meet Benny Yanger at the American Athletic Club next Monday sight.

WORLD'S FAIR LEAGUE. Towers and Ann Avenues Tie for Championship of First Series.

A surprise was sprung in the World's Fair League last night when the Towers me the St. Louisianus and were defeated in ne of the most sensational matches ever

me the St. Louisianus and were defeated in one of the most sensational matches ever witnessed in that organization. The game was the last of the initial series and the result leaves the Towers and Ann Avenues the for first place.

The Ann Avenues obtained a one-game lead over the Towers Thursiay night, but it was not figured that they had a chance, as the Towers have been leading in nearly all of the first series. The St. Louisianus are well down in the second division, and it was not believed that they could possibly prevent the Towers from taking at least two games.

The match was bowled on Heytman's alleys and was witnessed by a large crowd, which rooted vigorously for both sides. It looked like the proverbial "lead pipe" when the Towers gained the vestict on the first essay by a margin of 3d pins, thus establishing a tile with the Ann Avenues, who dropped to 160-10-1 shot. Hoberg's good game and the work of flecker won the second game for the St. Louisians, though the margin was narrow. In the third game the St. Louisians negotiated another win, Hoberg and Boethell doing the heavy work. Schaefer's performance in the fourth essay, followed by good work all along the line, gave the St. Louisianns their third straight. The final game was hotly contested, but only one of the winners fell under the 50 mark, and the Towers were forced to acknowledge almost complete rout. Hoberg, with celumns of 7-15, averaged 54 2-5 for the winners, with Becker doing 50 flat. None of the Towers registered anything better than 49. The score:

St. Louisians heaves.

The tie between the Ann Avenues and the Towers will be rolled off within the next two weeks. These games will be made a feature and are expected to bring out some high scores. The first series ended with last night's games. The schedule of the second series begans next Tuesday night. Following is the standing for the first series:

NEXT WEEK'S SCHEDULE. Thesday Black Libries at home to Hickorys. Thursday Ann Avenues at home to Dolman and Shenondishs at home to Towers. Freday St. Louisanas at home to Blue Tops.

IN 10 TO 20 DAYS.

Stricture and Gleet are the two destructive maladies which go hand in hand for evil in the maie genito-urinary system. They never cure themselves, but, on the contrary, are ever becoming more aggravated, and if neglected or improperly treated are certain to result in Bladder and Kidney Compilications of a serious and fatal nature. The method of cutting and dilatation employed by most physicians is harsh, unscientific treatment, and cannot be too strongly condemned, for it invariably leaves the patient in a worse condition than before. Our cure for Stricture is safe, paniless and permanent, and free from surgery in any form. Our treatment, besides possessing wonderful healing and curative powers, is anti-inflammatory, antiseptle and germicidal; and the cure is accomplished without suffering or personal inconvenience, in a thorough the same severy sufferer from Stricture and Geet complete and lasting freedom from the many annoying and distressing symptoms which accompany these conditions. Every obstruction to the urethra is forever removed, all discharge soon ceases, inflammation and soreness are allayed, the ulcerated canal and bladder are healed, the prostate gland reduced in size, the sexual system is invisorated and a complete restoration to normal health perfected. Out-of-town patients can be treated with the same certainty of success as if they were under our immediate care. Call or write. We will take pleasure in explaining the many advantaces our modern, advanced treatment has over the old-time methods still employed by ordinary doctors.

Drs. FRANCIS & FRANCIS, 870 Olive St.

Varicoccle is a weakened and broken-town condition of the Spermatic Veins and sexual circulation, due in the great majority of cases to sexual indiscretions. It makes no difference what the cause be it strain, injury or abuse, it is important that it be cured, for in time it will produce a softening and complete wasting of the gands and result in total impotency. That Varicoccle is one of the most serious and treacherous diseases afflicting mankind has been proven beyond all doubt. If neglected it will undermine the physical strength, derange and depress the mental faculities, rack the nervous system and ultimately produce a complete loss of sexual power.

I cure Varicoccle Safely, Painlessly and Permanently, My method of cure has been used in thousands of the most aggravated cases without one single failure or recurrence. Under my treatment every trace of weakness and disease quickly disappears, the stagnant blood is driven from the weakened veins, soreness and swelling vanish, all drains of vigor cease, the weakened semimal ducts are strengthened, a healthy circulation of pure blood is established, the wasted organs are enlarged, you become stronger in every way, and soon will regain that confidence, power and sense of well being which accompany good health and robust manhood. My treatment has stood the severest test. I have prepared a multitude of mea for the duties and pleasures of married life. Avoid experiments. The sexual organs are the very mainspring of the body and mind. I have seen many men ruined through incompetent, antiquated treatment. I guarantee my cures. I am thoroughly familiar with every treatment in vogue for the cure of Varicoccle, and know from actual experience that I can give you the very quickest, safest and most reliable cure known to medical science.

License Collector Whyte Announces He Will Not Be a Candidate at Next Election.

License Collector Joseph P. Whyte, whose term of office will terminate in November, announced yesterday that he will not enter the contest for election. Mr. Whyte was appointed to his position by Mayor Wells. His reason for declining to enter the race is that he has never sought a public office

in his life.

Mr. Whyte is president of the Real Estate Exchange and president of the Joseph P. Whyte Realty Company. As License Collector he has made a record for efficiency that has been the surprise and delight of Mayor Wells and Compiroller Player.

He accepted the appointment to ascertain how much revenue could be obtained for the city, and he has succeeded in surpassing, by far, all previous efforts. The increase in the revenue which he has effected aggregates about \$175,000.

The office of Livense Collector was created by the last Legislature. Prior to that time the official was known as the License Commissioner. Under the new law, the commissioner acts both as assessor and collector, whereas he formerly acted only as collector. The term of service is four years and the salary is \$3,000 per year.
